

26 OF THE GREATEST ANNIVERSARY SALE

Bargains Michigan Has Ever Known

and hundreds of other bargains will be offered in this great 9 day bargain feast. Not in years have Michigan men and boys been offered such an array of Bargains, and while you will always find this store's price much less than others (because of our 41 store buying power, low rental and small profit cash selling policy) we do not want you to consider prices in this event as our regular prices. This merchandise was purchased on the present low market and is actually being sold below what we paid for it. Why? Because it is our anniversary sale and we want to give back to our trade some thing more than "thank you" for the success that has come to this big chain store organization.
